

## How to Get Graded on H2S Mentorship

- 1) Get your Mentor Prep project graded - you can set up your own correction. (FYI - you still get partial credit for finishing this late, even if I've already uploaded your score before you get around to it. We want you to learn the subject after all).
- 2) Fill out the Mentor Feedback template to give us feedback on everyone you worked with and have an opinion about. The **blue** rows are yours to fill out; the grey ones are just so that you know how grading is done! Please fill it out for **other** people (and for yourself is cool too, if you like doing that.) Adding comments for any specific reasons you have to back up your rankings. Then please **email** a link to your copy to [kai@42.us.org](mailto:kai@42.us.org). - 3) You don't need to turn anything in for Teen Idol! But attend your corrections and use the conversation as an opportunity to reflect and get personal feedback on how others thought you did as a mentor.
