

# UNIT Factory Harassment & Tolerance Policy

Anti-harassment Anti-bulling Anti-hazing

UNIT Team  
[born2code@unit.ua](mailto:born2code@unit.ua)

*Summary: UNIT Factory is committed to providing an environment free of harassment, bullying and hazing.*

To agree to this policy: please download the attached file called agree. Rename it as agree.txt and add it in a directory called policy on your repository after entering your login to replace the underscores.

```
$> git clone <YOUR REPO URL> <REPO DIR NAME>
$> cd <REPO DIR NAME>
$> mkdir policy
$> cd policy
$> cp ~/Downloads/agree.txt .
```

Replace both \_\_\_\_ in the file agree.txt with your login. Turn this project in before you are locked out due to the related quest.

The file must be exactly named agree.txt !

Your file must be perfect !
