```

Final grade = /100 points - To pass, students must get a minimum of 50%.

- Social Impact
- Demonstrable User Value
- Functional Technology
- Effective Teamwork
- Robust Business Model

PITCH SCORECARDS

- Pitch scorecards will be used by the Jury to evaluate the WTC Teams.
- There will be 4 evaluation phases, including the final pitch. Each phase will focus on a different assessment criteria area. The first Pitch phase will focus on Social Impact.
- It is important to note, though, that WTC teams will need to approach the development of their social tech in a holistic way, meaning that at each phase, they will need to demonstrate to the Jury that they have progressed across all assessment criteria areas.
